Re: Request for Additional Information (Year-End Report, 7/01 - 12/31/2007)

Dear Ms. Winship:

This is in response to the Federal Election Commission's analysis of Freedom's Defense Fund's Year-End 2007 FEC Disclosure Report and your request for additional information concerning that report. It appears the Committee may have over looked your letter and is therefore responding at this time.

This is to clarify that all expenditures made for "CONSULTING - FUNDRAISING" on Schedule B and payable to Dr. Jerome Corsi are to compensate for his services as related to the PAC's direct mail program and his role in the copy writing process. The direct mail program raises funds for Freedom's Defense Fund and that committee, only.

I trust that this response will satisfy the Commissions request for additional information. Please contact me should you require anything further.

Sincerely,

Scott B. Mackenzie
Treasurer
